Pastor's Report to Council—June 2024

As always, please feel free to let me know if you need additional or different material shared in the Pastor's Report.

Worship and Music

- Dedication of Prairie Meadow—May 26—We had this event following worship, and it was decently attended (especially considering that it was immediately after the service on Memorial Day weekend). This was also a chance to use (and make sure all was working for) our external portable amplifier, which can support our portable keyboard, or guitar, or microphone.
- Recognition of Graduates—June 2—We were able to recognize four of our graduates in person, with two additional graduates unable to be present in person due to other circumstances. I would encourage us to continue this practice of having some way of honoring our graduates in worship each year and to have some kind of gift from the congregation for them.
- Sunday Vacation Worship Coverage—The one Sunday I will be away on vacation this summer will be for Sunday, July 28, and I have confirmed Pastor Lee Ann Pomrenke for that Sunday. I'll make separate arrangements for emergency pastoral care coverage for that week that I'll be away (July 27-Aug. 3), and also for the week of July 1-6 when we'll be on vacation but I won't miss a Sunday.

Christian Education and Youth

- Adult Class (Sundays)—The Adult Class returns on Sunday mornings following the 9:00am service, now that we are past the Prairie Meadow dedication and Congregational meeting, and we'll start with a series on "How to Read the Bible Wisely and Well."
- Shared Vacation Bible School—During the week of June 10-14, we're joining up with Hope UMC for VBS at their site in the mornings from 9:30-11:30am.
- Collaboration with UMC/ELCA Neighboring Congregations for Anthony Wayne Youth Group—We've had an initial gathering with leaders from Hope UMC, Zion UMC in Whitehouse, and the hope of future inclusion of Zion, Waterville-St. Paul, Haskins (ELCA) to begin to plan activities for a joint youth group beginning in August with a back-to-school weekend event. Future meetings are also scheduled for over the summer.
- Confirmation Program—Our four students completed the first year with a final class session this past June 3, and we'll resume in the fall—with the openness of including or partnering with other congregations, but that will depend on the interest of possible partner congregations.
- Thursday Afternoon Bible Study—This group has expressed interest in continuing through the summer, so we'll plan on offering this weekly Bible Study throughout the summer on Thursdays at 1:00pm, currently continuing through Mark's Gospel.
- Joint Youth Leader Position With Providence—We have a candidate our task group is ready to bring on board, and we have three conducted interviews with her (including a second-round

interview that included additional council and Education/Youth voices from CoC and from Providence) leading us to feel confident that she could step in and begin work as early as this July. As of this writing, a draft form of an employment agreement is being reviewed by our candidate, and we would seek council's formal approval to move forward with entering into contract with her pending her readiness to sign. The proposed compensation package stays under our budgeted amount but also takes into consideration her number of years experience in directing children, family, and youth ministry in a congregational setting already.

- Additional Summer Education/Formation Opportunities—As a new idea, I'm putting together a series of three unique *Summer Spirituality Saturdays*, each hosted here at Community of Christ on a Saturday morning from 9:00-11:00am, and each offering a special topic to connect our devotional life and the world around us in hands-on ways. These are open to people of any age, and you might have one or two that particularly interest you, and others that don't—that's OK. We'll be offering these on third Saturdays over the summer as follows: *God at Ground Level: Spirituality of the Prairie Meadow* (June 15), *Worlds Within Words: Poetry as a Spiritual Practice* (July 20), and *The Practice of Creativity: Visual Arts and Faith* (Aug. 17).

Internship Hosting

- Updates Since Congregational Meeting—I've informed Sherry Krieger from the NWOS Synod office about our meeting and vote, and she has since connected me with a representative from Wartburg Seminary in Iowa (at which Natalie Downs, our intern, is a student) as well as a representative from Southeast Michigan Synod, and we are set to meet by Zoom to talk about initial plans and preparations, per their schedule needs, on July 9. In the mean time, I've been directed to the Internship Host Site application that that we'll need to complete in order to formalize the process, and I have been invited to be in touch with Natalie herself to introduce myself and Community of Christ. As of this writing, I've reached out via email and will look forward to arranging conversation with her soon.
- Need for Creating Internship Committee—As was mentioned at the congregational meeting on June 2, we will need to create an internship committee, to function much like the Mutual Ministry Committee has done for me in this first year here, that will both be a channel for feedback and play a role in supervision, evaluation, and support for our intern. I would propose that, with the guidance of the seminary and synod voices on numbers/size and skills needed, we on council do the hand-picking and requesting for members to serve on the committee, rather than making this one open to all. We do not need to select all those members at our June meeting, but the application form will need us to name a chairperson of the proposed internship committee in order for the internship assignment to be officially completed, so we would be wise to select someone for that role sooner rather than later, and it might be wise for this person to be a person on council.
- Application Form/Process Through Wartburg Seminary—As I mentioned, I've begun work on the internship host site application, and one piece they also require is a copy of the host congregation's (us) Sexual Harassment policy (a requirement of all internship sites); their form indicates that if we do not already have one, we can adopt a template policy from their resources. I'll be sharing a proposed draft policy (pretty standard language for such a policy)

at our meeting, and if council is willing to approve and adopt it, we can proceed with our application.

- Proposed Office Allocation—We are now in the delightful situation of needing to have office space set apart for both an intern (for 18 months) and a Children, Youth, and Family ministry director (hopefully for a long term/permanent position!). Neither of these positions, however, will be in those office spaces for 40 hours a week, since the CYF position is shared with Providence and will include event/activity times as part of the hours of work, and the intern will be part-time as well. So our needs for office space are not necessarily for somewhere to spend many hours at a computer. As we may have discussed already as a council, our Eric Dickey has offered that his office space could be shared, especially given that he is only in the office generally three mornings a week (Monday, Tuesday, and Thursday mornings typically). We also have the possibility of getting a second desk/work area in the office that Josef uses off of the sanctuary storage area. My proposal would be that we use space in Eric's office for the intern as a temporary arrangement and then arrange the space Josef uses to have another desk area for our Children, Youth, and Family person. But I would invite your input and feedback, and then we can work on getting whatever space or equipment we need from there.

Stewardship

- Time and Talent Forms in Fall 2024—As we are planning on creating new Time and Talent forms for 2024 this fall for use with 2025 programming needs, we would ask all of our committees to be coming up with lists of what kinds of ways people in the congregation can use their time and talents in their individual committees, and then to share those lists with Stewardship by August, so that we can compile them and create a comprehensive Time and Talent form.
- Preparing for "Festival of Talents" Sep. 28-29—We are also beginning to plan for a talent show event in September, along with a chance to highlight the ministries and opportunities for serving in our congregation—please plan to have people from your committee at this event on Sat. Sep. 28 at a table/booth to invite interest in your committees here at CoC.

Synod and Wider Church

- Synod Assembly—I did attend the Synod Assembly on June 1, along with Kathryn Whitacre and Barb Thober as our voting members. Kevin Swagler was present as a member of Synod Council, and Laurie Mauro was there regarding the synod microgrant program and was elected to the Synod Committee on Discipline.
- Churchwide Assembly—Blessedly, I was not elected to be a voting member of the 2025 Churchwide Assembly, so we don't have to worry about that as a calendar issue next summer.

Respectfully submitted, Pastor Steve

Ministry Description:

Our initial mission was to visit with members and friends of the congregation who could not attend worship in person and assist the pastor in sharing communion with those who desired it. Our ministry has expanded to sending monthly cards/notes, and birthday postcards, making and providing prayer shawls and baptismal blankets, making and distributing meals and cookies, a yearly educational focus, providing rides, and adopting a local nursing home. Through these ways, the Visitation Ministry Team works to “Make Jesus Known”.

Notable Accomplishments:

- Blue Creek Healthcare – Visited and sang with residents on May 10. The next scheduled date is June 11 @ 10:00 a.m. Irene Rang will be making/bringing cloth butterflies to distribute as a joyful pick-me-up!
- Monday, June 17 from 9-12 we will make casseroles for the freezer. We have distributed 76 out of 80 that we made in February.
- College – military – recent high school graduates:
 - cookies to share and enjoy this fall
 - A list of names has been gathered – Michelle and Cheryl will be working on getting contact information so members of the congregation can send cards, small packages, etc., throughout the year.
- Cookie Sunday is planned for this fall.

Activity Report Worship and Music Committee June 2024

Committee Chairman:None

Committee Members Present: Cheryl Fischer, Michelle Gebhart, Eric Dickey, Pastor Steve Bond, Laurie Mauro, Don Schroeder, Bev Fischer, Lisa Alleman

Review of Worship Services:

Summer Services – Bulletin availability for larger attendances was discussed as well as means to help attendees share bulletins when needed. Bulletin volunteers will be contacted by email to apprise them of means of helping members share. The plan is to print 150 bulletins per week. A baptism is planned for 6/23. Pastor Lee Ann Pomrenke will serve for Pastor Steve on Sun 7/28.

Follow up on Worship Volunteer Workshops:

A letter was sent in late May. The committee will wait to see if further actions are needed at providing consistent worship volunteer actions.

Choir Direction

Lisa Alleman – Shared her views of her new volunteer position helping with the Choir Direction. She is providing some public relations to help with possible recruitment of new members via the newsletter. Scheduling of Sundays that the Choir sings and breaking the year into segments which choir members can more readily commit to be available is the hope.

Other Items:

1. Microphone – the new wiring to the MIC was installed and it seems to have resolved the issue. Feedback has been positive that Pastor Steve can be better heard.
2. Choir Party – hosted by Ackermans will be on 8/23.
3. Eric - will be gone on 11/3, All Saints Sunday

Next Meeting – Thurs Aug 8, 10:00 AM
